Senior Digital Strategy Leader | Nonprofit & Client Strategy | Integrated Digital Marketing

Camarillo, CA | Remote

melodynbloom@gmail.com | (720) 810-0634 | LinkedIn: [linkedin.com/in/tina-williamson](https://www.linkedin.com/in/tina-williamson)

PROFESSIONAL SUMMARY

Digital marketing and client strategy leader with 10+ years of experience developing and executing integrated digital strategies across nonprofit, agency, SaaS, public-sector, and consumer environments. Experienced leading multi-client portfolios, translating organizational objectives into digital growth strategies, advising stakeholders on emerging opportunities, and coordinating initiatives across content, SEO, paid media, analytics, web development, email, social media, and creative teams.

Direct nonprofit experience includes digital strategy, website development, content, and marketing support for housing, community recreation, and youth sports organizations. Strong background in client consulting, digital performance measurement, audience strategy, website and content strategy, email marketing, paid media analysis, and emerging AI search. Known for translating complex performance data and digital trends into clear strategic recommendations, scalable processes, and measurable outcomes.

U.S. Navy veteran with previous supervisory, training, and operational leadership experience.

PROFESSIONAL EXPERIENCE

YARDI SYSTEMS, INC. / RENTCAFE REACH

Marketing Specialist, SEO & Digital Strategy

Oxnard, CA / Remote | October 2022 – Present

- Lead digital strategy across a portfolio of 40+ client websites, aligning SEO, content, analytics, digital experience, paid-media insights, and emerging AI-search opportunities with client business objectives.
- Serve as a strategic client partner, translating performance data, competitive intelligence, market trends, and changing digital behavior into actionable recommendations and growth opportunities.
- Develop individualized digital growth strategies based on client goals, target audiences, competitive positioning, search behavior, website performance, and conversion opportunities.
- Coordinate with content, development, paid media, account management, and internal teams to execute digital initiatives and maintain alignment across client deliverables.
- Provide ongoing client consultation and training on Google Analytics, digital performance, SEO strategy, marketing technology, and digital marketing best practices.
- Build executive-ready Looker Studio dashboards using GA4 and Google Search Console data to communicate KPIs, campaign performance, organic growth, engagement, and opportunities for optimization.
- Analyze paid-search and digital campaign performance alongside organic and website data to provide integrated recommendations designed to improve ROI and customer acquisition.
- Lead SEO, GEO, and AI-search strategy, including technical optimization, content strategy, structured data, information architecture, E-E-A-T, and visibility across Google and generative AI platforms.
- Research emerging technologies, evolving consumer search behavior, AI platforms, and digital marketing trends and translate developments into practical client and organizational opportunities.
- Create standardized workflows, strategic frameworks, reporting processes, training materials, and content optimization systems supporting efficient delivery across multiple client accounts.
- Use Asana to manage priorities, deliverables, dependencies, and concurrent client initiatives in a high-volume environment.

PLEASANT VALLEY RECREATION AND PARK DISTRICT

Marketing Specialist

Camarillo, CA | May 2022 – October 2022

- Developed integrated digital and community marketing initiatives supporting recreation programs, community events, facilities, and public engagement.
- Supported marketing initiatives associated with the **Foundation for Pleasant Valley Recreation and Park District**, providing experience working within a nonprofit and community-focused environment.
- Led a website redesign focused on usability, information accessibility, digital experience, and online program discovery.

- Used Google Analytics and audience behavior data to inform campaign strategy and improve online registration performance.
- Planned and executed segmented email marketing campaigns through Constant Contact, achieving a 32% open rate.
- Managed multi-platform social media strategy and increased audience engagement by 55%.
- Developed campaigns spanning website content, email, social media, photography, digital creative, print collateral, event signage, and quarterly activity guides.
- Coordinated messaging and creative execution across multiple programs, events, audiences, and organizational stakeholders.

SACHS MARKETING GROUP

Account Executive / SEO Strategist

Westlake Village, CA | November 2021 – May 2022

- Managed digital strategy and client relationships across 10+ agency accounts representing multiple industries and organizational models.
- Served as a primary client contact for strategy discussions, performance reporting, priorities, recommendations, and digital initiatives.
- Developed SEO and content strategies informed by organizational objectives, competitive research, audience demand, keyword opportunities, and performance data.
- Conducted competitive, market, search, and digital landscape research using Ahrefs, SEMrush, MOZ, Majestic, and other platforms.
- Created client-facing performance reports and translated technical marketing data into clear strategic recommendations.
- Managed concurrent client deliverables and maintained project visibility through Asana, Trello, and collaborative reporting systems.
- Coordinated content development, website optimization, authority-building initiatives, and broader organic growth programs.

DEX

Marketing Lead, Digital Growth

Camarillo, CA | October 2021 – November 2022

- Led digital marketing and website optimization initiatives designed to increase visibility, engagement, qualified traffic, and conversion performance.
- Developed analytics-driven marketing strategies using Google Analytics and digital performance data.
- Managed website strategy encompassing user experience, content, SEO, site performance, and conversion optimization.
- Directed multi-platform social media strategy, increasing brand awareness by 60%.

- Planned targeted paid-social campaigns that increased conversions while reducing cost per click.
- Produced digital campaign creative and marketing assets using Adobe Creative Suite while maintaining consistent brand positioning.

HAKUNA SUPPLY

Marketing Manager

Oak Park, CA | May 2019 – April 2021

- Managed digital marketing across website, SEO, email, content, social media, e-commerce, and digital creative.
- Developed segmented email marketing campaigns in ActiveCampaign to improve audience engagement and customer communication.
- Used website and customer analytics to identify trends and guide marketing strategy, targeting, and optimization.
- Managed WordPress e-commerce content, site experience, SEO enhancements, and ongoing digital merchandising.

NONPROFIT & MISSION-DRIVEN DIGITAL EXPERIENCE

DOUGLAS COUNTY HOUSING PARTNERSHIP

Freelance Digital Marketing & Website Strategy

- Led digital strategy and website development for a nonprofit organization focused on housing programs and community resources.
- Designed and developed the organization's custom website from concept through launch.
- Led website architecture, UX strategy, content organization, SEO, and digital discoverability.
- Structured housing and program information to improve accessibility, usability, search visibility, and community access to organizational resources.
- Used AI-assisted workflows, including Claude, to accelerate research, content development, technical problem-solving, and production while maintaining strategic and editorial oversight.
- Provided independent digital strategy and technical execution aligned with the organization's mission and stakeholder needs.

ZEROGRAVITY SOCCER CLUB

Nonprofit Website & Digital Strategy Project (Not Published Yet)

- Designed and built the website for a nonprofit soccer club, translating organizational needs into an accessible and engaging digital experience.
- Developed website structure, content organization, user experience, and digital strategy supporting players, families, programs, and community engagement.
- Applied SEO, website usability, and content best practices to improve discoverability and access to organizational information.
- Managed the project from planning and content development through website implementation and launch.
